Mendocino Unified School District
2026-27 Annual Report - District of Choice

Background:
Education Code Section 48313 requires that the Superintendent annually report on the number of students who exited the district pursuant to the District of Choice program. Additionally, a reporting must be made of those students who had a District of Choice application denied that includes the reason for the denial. Moreover, the number of students who entered the district pursuant to the District of Choice program must be reported. Additionally, with regard to incoming students a number of other criteria must be included in the accounting. Below is an accounting of the students who either entered or exited the Mendocino Unified School District as a result of the District of Choice legislation and policy for the 2026-27 school year.

Number of students who exited the Mendocino Unified District of Choice Program	9
Number of students who entered the Mendocino Unified District of Choice Program	9
