

Students

Parental Notifications

The Governing Board recognizes that notifications are essential to effective communication between the school and the home. The Superintendent or designee shall send students and parents/guardians all notifications required by law, including notifications about their legal rights, and any other notifications he/she believes will promote parental understanding and involvement.

The Superintendent or designee shall ensure that notifications which must be sent at the beginning of each academic year include a request that the parent/guardian sign and return to the school acknowledgment of receipt of the notifications. (Education Code [48981](#), [48982](#))

When 15 percent or more of students enrolled in a school speak a single primary language other than English, all notices and reports sent to the parents/guardians of these students must also be written in the primary language and may be answered by the parent/guardian in either language (Education Code 48985). Whenever an employee learns that a student's parent/guardian is for any reason unable to understand the District's printed notifications, the principal or designee shall work with the parent/guardian to establish other appropriate means of communications.
