

The SISC Proactive Care Plan

Better Benefits! Less Confusion! Same PPO Provider Network!

Starting October 1, 2025, this new plan offers convenient access to more care, more service, and more savings without changing your current providers or medications.

As a Proactive Care Plan member, you'll get more of the benefits you want...

More Care

- Unlimited \$0 primary care visits (virtual + in-office)
- Longer office visits with your Primary Care Provider to help you get answers and back to health more quickly

More Service

- Proactive Care Advocates (PCAs) help you navigate care and save money

More Support

- Proactive Care Nurses (PCNRs) work directly with your doctor to support your health and well-being—no matter the diagnosis

More Savings

\$0 copays and no deductible:

- Primary care
- Urgent care
- Most labs
- Therapist visits
- Virtual care
- Physical therapy

...and you won't lose the benefits you love!

Same Providers: Anthem Prudent Buyer (Full) Network

Same Pharmacy Network: Managed by Navitus

Same Pharmacy Benefits (including the popular \$0 Generic Drug Copay at Costco) with expanded coverage

\$0 brand and generic medications when prescribed by a primary care provider, including:

- Diabetic medications, including GLP-1s, continuous glucose monitors (CGMs), Test Strips, and Insulin
- Some anticoagulants, such as Eliquis and Xarelto
- Most asthma medications, such as Advair and Alvesco
- Some specialty drugs, such as Dupixent and Xolair

Key Takeaways

- ✓ The Proactive Care Plan (PPO) eliminates deductibles and offers \$0 copays for most routine services.
- ✓ You'll save more upfront and pay fixed amounts for higher-level care.
